Good Faith

Good Faith, a Macwester 27, has been well maintained. Headroom is 5ft 11ins.

A new 3 cylinder Beta engine was fitted in 2004 and standing rigging replaced 2007.

The saloon has seating to starboard around a table. This converts to a double berth. On the port side is a pilot berth. Forward of the pilot berth is the galley.

Forward and to port is the heads compartment with a new Jabsco sea toilet and a washbasin. The fore berth has an infill to create a double and is exceptionally wide. The hull was sandblasted in 2014 and epoxied. The electrics have been rewired. There is a furling genoa, and also furling gear for the main, making this a good boat to manage single handed.

She is currently on a swinging mooring at Holyhead Sailing Club, Anglesey, and this mooring can be used by a new owner until October 2018 at no cost.

The galley has a sink with pumped cold water. There is a gas stove with 2 burner hob, oven and grill.
