

## Hunter Landau 20 – Jody

**Make:** Hunter  
**Model:** Landau 20  
**Length:** 6.15 m  
**Price:** GBP 13,950  
**Year:** 2001  
**Condition:** Used

**Boat Name:** Jody  
**Hull Material:** Fibreglass (GRP)  
**Draft:** 0.32 m  
**Number of Engines:** 1  
**Fuel Type:** Petrol

### Jody

The Hunter Landau 20 is no ordinary motor cruiser, her designer David Thomas has come up with lots of innovative ideas which make her very special.

The hull which the designer calls a side wall trimaran makes the vessel easily driven and therefore more fuel efficient, as it results in less wake than conventional hulls found on

other motor boats. Another benefit of the hull design is the ability to move easily onto a plane, and the better handling in choppy waters.

On deck one will appreciate the wide side decks which make going forward safe, unlike some boats, and also the wide fore deck with its anchor well. The fore hatch can be opened to provide more ventilation.

The cockpit which is self draining offers seating for up to four persons, the two helm seats are reversible. The cockpit cover can be used to fully enclose the after deck area or be partially deployed or fully removed as required.

There is a large ventilated locker built into the cockpit sole which is ideal for fuel storage.

The 50hp engine will deliver just short of 20 knots.

Below there is 6ft 4ins of headroom and each of the settee berths measures 6ft 5ins. Seating is arranged around a table that stows neatly away behind the back cushions. There is good safe storage here to ensure things do not move around while you are underway.

It is bright with large windows. Blinds can be fastened in place when required.

There is a heads compartment forward with a chemical toilet.

The galley has a two burner gas stove and a sink with a fresh water pump.

## Measurements

---

Max Speed:	20 kn	Displacement:	869 kg
LOA:	6.15 m	Seating Capacity:	6
Beam:	2.23 m	Electrical Circuit:	12V
Min. Draft:	0.32 m	Fuel Tanks #:	2
Max Draft:	0.32 m	Fuel Tanks Cap.:	25 L
Cabin Headroom:	1.9 m	Fresh Water Tanks #:	1
		Fresh Water Tanks Cap.:	25 L
		Number of single berths:	2
		Number of Heads:	1

## Propulsion

---

### Engine #1

Engine Make:	Mercury	Hours:	unknown
Engine Model:	50 EFI	Power:	50 hp
Primary Engines:	Outboard		

## Additional Information

---

Planing keel with twin tunnels

Navman with Sounder/Speed-Log/Fish-finder, Compass.

Custom RM trailer

Warps and fenders

Boat hook

Anchor, chain and warp

Cockpit cushions

Cockpit table

Bimini

All over cockpit cover
