Minelvia

An opportunity to own a little classic. This four ton gaff cutter was built in 1937 by David Hillyard at his famous yard in Littlehampton Sussex.

She is open to offers due to her owners family commitments and lack of use.

The original engine was replaced by an 13hp Beta marine diesel in 2002.

A pair of beaching legs will allow her to take the ground if required. A storage cradle for winter storage is included.

With her tan sails and bow sprit she stands out from the crowd.

The accommodation comprises a snug two berth cabin with storage under berths. The upholstery is currently stored at the owner's home.

The fore peak houses a marine toilet and considerable stowage .

The galley has a two burner cooker with grill. Pans and crockery are included.
