

Achilles 24 – Thetis

Make: Achilles
Model: 24
Length: 7.31 m
Price: GBP 2,995
Year: 1975
Condition: Used

Boat Name: Thetis
Hull Material: Fibreglass (GRP)
Draft: 1.06 m
Number of Engines: 1
Fuel Type: Petrol

Thetis

This Achilles 24 is ideal for the dinghy sailor looking to move into coastal cruising. She performs very well and handles as easily and responsively as a large dinghy. Her triple keel means she sails well and can also take the ground.

The current owner has carried out extensive renovation work on Thetis, including new

perspex windows, new woodwork below providing side lockers with perspex sliding doors and a detachable nav table.

A new electrical system has been installed to provide cabin lights, nav lights and power to VHF and instruments. A solar panel boosts the battery.

The engine was purchased new in 2015 and has been little used (35 hours). It is serviced annually. Thetis is tiller steered and has a new bespoke engineered stainless steel rudder stock and tiller connection.

The hull was stripped and no sign of osmosis found. New antifoul was applied in 2015 and fresh antifoul added in 2018. In 2018 the decks were repainted and exterior woodwork treated with International Woodskin.

Below there is a double berth in the forepeak and two quarter berths. Headroom is 5 foot. There is a galley area and a new chart table. The galley has a portable gas 2 burner hob and grill. There is a sink with tap connected to a water container.

Measurements

LOA:	7.24 m	Displacement:	1179
Beam:	2.16 m		kg
Min. Draft:	1.06 m	Fuel Tanks #:	1
Max Draft:	1.06 m	Fuel Tanks Cap.:	10 L
Cabin Headroom:	1.52 m	Fresh Water Tanks #:	1
		Number of single berths:	2
		Number of double berths:	2
		Number of Heads:	0

Propulsion

Engine #1

Engine Make:	Tohatsu	Engine Year:	2015
Engine Model:	4 stroke	Hours:	unknown
Primary Engines:	Inboard/ Outboard	Power:	6 hp
