

Folkboat 25 – Encounter

Make: Folkboat
Model: 25
Length: 7.69 m
Price: GBP 9,000
Year: 1985
Condition: Used

Boat Name: Encounter
Hull Material: Fibreglass (GRP)
Draft: 1.21 m
Number of Engines: 1
Fuel Type: Diesel

Encounter

Encounter is a cruising Folkboat built in the UK in 1986 by D C Blake and sons. She is extremely well presented and is in immaculate condition having been well maintained. A copy of the 2018 survey is available.

She is not like many other models of the Folkboat class; Encounter does not have a spartan interior, in fact her accommodation is both comfortable and well appointed. She comes well equipped with a full inventory and is ready to go.

The original engine has been replaced with a modern Beta 14hp with only 150 hrs use. The engine drives a Brunton feathering propeller. All control lines have been led aft to the cockpit and she can be sailed single handed. Encounter has a storage cradle and beaching legs.

The accommodation offers a total of four berths in two cabins. There are two settee berths in the saloon, these are both full length berths (6 ft 8ins) with trotter boxes. In the fore cabin there is a large double berth with infill (6ft 4 ins). The heads compartment with a sea toilet is located to starboard between the fore cabin and the saloon with a wet locker converted to storage opposite. There is a large well equipped chart table to starboard with the compact galley to port.

The accommodation is heated by a Webasto Airtop 2000ST diesel heater (2013)

The compact galley is situated to port and comprises an Origo twin burner spirit stove and a stainless steel sink.

Measurements

LOA:	7.69 m	Displacement:	2146
Beam:	2.2 m		kg
Min. Draft:	1.21 m	Electrical Circuit:	12V
Max Draft:	1.21 m	Fuel Tanks #:	1
