<b>Year:</b>	1998	<b>Fuel Type:</b>	Diesel
<b>Condition:</b>	Used	<b>Number:</b>	6306339
<b>Location:</b>	Y Felinheli, Gwynedd, United Kingdom		

### Seafisher

The Beneteau Antares 760 is a powerful cruiser which combines speed and comfort. With four berths and a wide aft deck giving lots of rod space she is a great sports fishing boat or dive boat. The bow thrusters make her very maneuverable. There is an electric anchor

winch.

The fully enclosed wheelhouse offers good shelter from the elements and excellent all around visibility. At the helm position there is a range of instruments including a new chart plotter/fish finder a radar and VHF radio. The helm chair is new.

From the spacious stern deck , access to the stern boarding platform is via a gate in the transom. There is also a boarding ladder when bathing.

The engine was serviced in April 2017 and in May 2017 Seafisher was cleaned and jet washed. She is copper bottomed so did not need antifouling. The propeller was polished and recalibrated.

The saloon is attractively laid out. New carpet has recently been fitted and all upholstery dry cleaned. Mattresses in the forecabin have been replaced. The accommodation is heated.

There are four berths available in total, a double in the fore cabin and the saloon table converts to further double when required.

The separate heads compartment is situated to port aft of the fore cabin and this is equipped with a marine toilet and a wash basin. The marine toilet has recently been serviced and all seals replaced.
