**Number:** 6324635

### Winnipeg

This Sealine Ambassador 285 is a twin engine sports cruiser which is offered for sale at a bargain price for a quick sale.

The vessel needs some remedial work to both sets of drive legs and propellers. The two drive legs and associated propellers have suffered from galvanic corrosion and need to be repaired/ replaced. The yard at Fiddlers ferry have confirmed that they can carry out the work and that spare parts are available.

This is a unique opportunity to purchase a boat normally out of reach for anyone on a tight budget.

A recent survey may be available.

The accommodation offers a total of four berths in two cabins. The berths are both doubles. One is created in the saloon by lowering the saloon table and using an infill to create a large circular bed.

There is a further double in the aft cabin.

Two occasional berths can be created in the cockpit using the large cockpit table with cushions.

The separate heads compartment is equipped with an electric toilet, wash basin, and shower with hot and cold water and a holding tank. The heads compartment is accessed either from the saloon or en suite from the aft cabin.

The galley comes well equipped with a twin burner hob with grill and oven, fridge, microwave and twin sink with hot and cold water.
