Imagine

A stylish comfortable 4 berth sports cruiser Imagine comes fully equipped with the very latest electronic navigation aids.

Imagine is ideal for family coastal cruising or exploring creeks and rivers in style.

The large cockpit has a helm position to starboard with a comfortable bench seating, more seating aft for up to six persons ,and a wet bar and cool box for entertaining.

Access to and from the cockpit is via a stern gate on to the swim platform which is ideal for boarding from a tender. Access forward from the helm position is via the central windscreen gate.

The owner is open to offers and would consider taking a rib in part exchange.

The saloon has comfortable settees and a table with a flat screen TV and a CD player.

The stylish accommodation offers a total of four berths, a large double berth in the aft cabin, and two single berths in the saloon.

The separate heads compartment is equipped with a sea toilet and wash basin with h/c water available. The vessel has a holding tank available.

The galley is equipped with a hob, a microwave, a stainless steel sink with hot and cold water and a fridge.

Hot water is supplied by a calorifier working off the engine.

Manufacturer Provided Description

The Regal Commodore 2665 has the FasTrac Hull. It is faster, handles better, and is more fuel efficient than other midcabins. This trailerable cruiser features a well proportioned midcabin that includes a changing area and a queen-size berth. The wrap-around convertible salon is light and airy with all the amenities for comfortable cruising. The galley features a granite-style countertop with built-in stove, molded sink, refrigerator, and lots of storage. A full stand-up head compartment includes a vanity, storage and shower. On deck, the large comfortable helm station offers a double-wide seat with flip-up bolsters, a wood grain wheel with tilt action and non-slip grips, plus a VDO instrumentation cluster that includes speed, normal engine functions, depth, outside water temperature, hour meter, and trip log. Access to cold drinks, ice, and running fresh water is provided in the cockpit by a convenient refreshment center that offers a sink with pressure water, large removable Igloo cooler, and storage locker.

Additional Information
