### Alison Jayne

---

A well equipped fast fishing boat which is ready to go and with her own trailer. Trailing weight is around 1000kg (boat, engine and trailer)

The Evinrude Etec 75 hp engine has been regularly serviced, with the last service June 2018 (diagnostic report and invoice available). The Mariner 4hp auxilliary engine is recent

and was serviced July 2018.

With a fish finder the instruments are ideally placed at the helm position.

Two swivel seats available for pilot and co pilot with additional seating under the large forward cuddy.

Alison Jayne has a medium V hull which gives a smooth ride and minimum roll at anchor ensuring maximum comfort. The hull shape provides extremely responsive handling at both high and low speeds. The steering height is suitable for either standing or sitting.

The explorer Elite offers 40 sq. ft. of deck space, 2 storage lockers in the forward bunks, 2 storage lockers in console and non-slip deck throughout.

Rod holders are fitted in the gunnels. There is a bow roller, Sampson mooring post, 2 stern mooring cleats, and 3 grab rails, all stainless steel. There are 2 fairleads. The stern has shelves for fuel tanks battery and other sundries, the anchor locker is huge and self-draining and access is via a pair of hinged locker doors on the foredeck. The foredeck is accessed via a forward hatch, which is constructed of anodised aluminium,

## Measurements

---
