

## Maurice Griffiths Ketch – Eilean Naomi

**Make:** Maurice Griffiths  
**Model:** Ketch  
**Length:** 10 m  
**Price:** GBP 8,500  
**Year:** 1980  
**Condition:** Used

**Boat Name:** Eilean Naomi  
**Hull Material:** Fibreglass (GRP)  
**Draft:** 1.52 m  
**Number of Engines:** 1  
**Fuel Type:** Diesel

### Eilean Naomi

Eilean Naomi was built based on designs by Maurice Griffiths and is a heavy displacement, long keel sailing ketch. With her shallow draft she allows cruising in shoal waters or coastal hopping with good sailing performance, and she has the added bonus of a steel centreboard which increases the draft to over 5 feet and offers better windward performance.

The propeller sits inside the rudder mountings to minimise the chance of fishing lines getting caught up in the prop. She has two yacht legs from The Yacht Leg Company which clip onto the hull sides to allow drying out on a level beach or sea bed. They can also be used to support the boat for winter storage ashore.

The BMC 1500 32hp diesel engine coupled to a PRM gearbox and traditional stern gland gives plenty of power, so she motors at good speeds.

She is well equipped and ready to sail, and has 5 berths and plenty of space below deck and good stowage throughout. She offers traditional accommodation with plenty of varnished woodwork and has been maintained to a high standard by her current and previous owners. Full history is available.

Being a ketch it has a variety of combinations of sail that can be used depending on the wind conditions, including a cruising chute and a mizzen top sail but is equally happy cruising on mainsail and genoa. The full rigging including the mizzen was replaced 2 years ago.

A feature of Maurice Griffiths centre plate design is the ability to access the plate from the saloon, should this become necessary.

A total of five full length berths are available, a double berth in the fore cabin, two single berths in the saloon, and a large quarter berth aft on the starboard side.

The separate heads compartment is equipped with a sea toilet and wash basin, with a hanging locker opposite.

The large saloon table seats six and the chart table is located to starboard.

The galley is located to to port and equipped with a twin burner hob and sink with ample storage.

## Measurements

---

LOA:	10 m	Windlass:	Manual
Beam:	3 m		Windlass
Min. Draft:	1.2 m	Electrical Circuit:	12V
Max Draft:	1.52 m	Fuel Tanks #:	1
		Fuel Tanks Cap.:	180 L
		Fresh Water Tanks #:	1
		Fresh Water Tanks Cap.:	136 L
		Number of single berths:	3
		Number of double berths:	2
		Number of Heads:	1

## Propulsion

---

### Engine #1

Engine Make: BMC                      Hours: unknown  
Engine Model: B series 1500      Power: 32 hp  
Primary Engines: Inboard            Propeller Type: 3 Blade

## Additional Information

---

Long keel

Instruments:

Simrad tiller pilot  
Steering and hand held compasses  
Lowrance X4 Fish finder with echo sounder

Equipment:

Four x life jackets  
Horseshoe lifebuoy  
Bilge pumps  
Radar reflector  
Fire extinguishers  
Fire blanket  
Electric anchor windlass Lofrans Tigress 1200W 110A.  
CQR anchor  
30m anchor chain  
Warps and fenders  
Sprayhood  
Set of beaching legs

Sails:

Furling genoa  
Storm jib  
Mainsail with lazy jack arrangement and cover  
Mizzen sail with lazy jack arrangement and cover  
Mizzen top sail  
Cruising chute
