

Nicholson 35 – Blaze

Make: Nicholson
Model: 35
Length: 10.75 m
Price: GBP 25,000
Year: 1971
Condition: Used

Boat Name: Blaze
Hull Material: Fibreglass (GRP)
Draft: 1.82 m
Number of Engines: 1
Fuel Type: Diesel

Blaze

OWNER OPEN TO OFFERS This is a good example of the Camper and Nicholson classic, built in 1971. She has been cruised extensively in the Mediterranean. The present owner sailed her back from Portugal, and she is currently stored ashore.

The original engine has been replaced in 2001 with a Perkins fresh water cooled 4108 with

hydraulic drive. All standing rigging replaced 2014, hydraulics 2003, new injection pump and injectors 2016.

Currently out of the water, she can be fully inspected.

Blaze comes well equipped including Hydrovane wind vane steering, a Rutland wind generator, 6 man life raft, inflatable tender and many extras.

She is currently owned by a busy farmer unable to find time to sail her and is looking for a new owner who will take her on further adventures..

Accommodation is well laid out and upholstery is new. Headroom is over 6ft. The large saloon table has a drop leaf when not in use. The accommodation comprises a total of five berths, a double in the forward cabin, with a single and a double in the saloon, with a possible sixth berth if required. It benefits from an Eberspacher heating system.

The heads compartment is equipped with an electric mascerator toilet, and adjacent wash basin.

There is a large chart table situated to port with a watch keepers seat just inside the main hatch also on the port side.

Measurements

LOA:	10.75 m	Displacement:	8026 kg
